WHY TANK STORAGE MAGAZINE?

In-depth insight. Global reach.

For 20 years, Tank Storage Magazine has been delivering the latest news, analysis, innovation and insight to help terminal operators improve safety, efficiency and facilitate for the energy transition. Our community of tank storage professionals include: terminal managers, business development, HSE and procurement managers in the oil, gas, petrochemical and renewables markets.

With distribution at major industry events, and an opt-in database of engaged terminal professionals, advertising with Tank Storage Magazine will enable you to target an extensive database of relevant industry decision-makers.

Since the magazine's launch, we have built up an impressive database of relevant contacts that we invest a lot in cleaning, enriching and building each year for our own marketing campaigns; and we are able to give you access to this in powerful ways!

With dedicated news pages, monthly newsletters, promotional email campaigns, hosted webinars, and paid advertising through audience extension campaigns, our digital advertising opportunities give you the chance to target a relevant, engaged audience of industry professionals all year round.

Our team is happy to help if you have any questions about these commercial opportunities or targeting options.

AUDIENCE EXTENSION

Get broader reach for your brand to the community right across the web

Paid advertising through search networks and social channels is a booming business! But to really capitalise on the power of this opportunity, you need to have the basis of an extensive database. This is where Tank Storage comes in!

We are able to offer you a far wider reach across the internet by using our database, our website traffic, our social channels and the power of our vast network to advertise your products and services when they browse sites across the web. Using tracking technology we showcase your brand by retargeting our community of industry professionals on search and social networks they visit.

Target professionals in the key sectors including leading Terminal Operators, Oil Majors, Ports and EPCs who visit the Tank Storage website.

Timeframe

Audience extension campaigns are sold on an impression/view basis.

Volume

Minimum volume that can be purchased is 250,000 impressions.

Duration

Campaign length is dependent on the number of impressions purchased.

Ask the team for case studies on audience extension so you can see how these campaigns can contribute to the promotion of your business!

Impressions (Views)	CPM (cost per thousand)	Cost
250,000	€50	€12,375
500,000	€50	€24,750
750,000	€50	€37,125
1,000,000	€44	€44,000

YOUR QUESTIONS, ANSWERED.

Whether you know what package you want to book or want to find out a little more, our team is here to help you. Please get in touch today!

Does an advertising package include editorial?

Yes! You can promote your brand with an article, both in print (for print advertising) and online. This will form part of your advertising package with us and will give your product/brand even more reach. Showcase new projects, case studies, products or helpful advice to the tank storage community.

How can I check the success of my digital campaign?

We advise partners to include UTM links on all advertising directing to your websites – this means you can track website traffic and leads in your Google Analytics in real time over any date range.

Please note: Newsletter banners cannot be UTM-tracked. Our team will provide reporting instead. Please request this at least 5 days in advance.

We can provide reporting for solus email campaigns – these will be distributed post campaign.

How can I book a campaign?

We can't wait to get your campaign live! Give our team a call and book in the campaign or package you are looking to advertise with. We will let you know when the next available launch date is and inform you of the timeline and process of getting your adverts live.
